CSO/CSD VAS Norway

28 August 2020

Europe Norway

Share

As of 1st of October 2020, we will do some adjustments to the tariffs of below mentioned Value Added Services. You find the new tariffs below.

Charge Code	Charge Name	Description	Tariff
CSO	Container Shifting Origin	A charge to recover additional operational expenses for extra container moves needed for, for example re-stacking because of Change of Destination or Change of Vessel or move of container from load stack to gate. It does not cover moves needed to perform inspections, or to enable ad hoc stuffing/stripping as that is included in the respective charge for those services.	NOK 450 per container
CSD	Container Shifting Destination	A charge to recover additional operational expenses for extra container moves needed for, for example re-stacking because of Change of Destination or Change of Vessel or move of container from load stack to gate. It does not cover moves needed to perform inspections, or to enable ad hoc stuffing/stripping as that is included in the respective charge for those services.	NOK 450 per container

For more information about our local charges in Norway, please refer to our website here. Above changes will be updated by the effective date.

We want to thank you for your business and look forward to continously serving your global transportation needs.
