MSC Enhances MEDUSEC Service

MSC is pleased to announce that we are enhancing performance and quality of the MEDUSEC service by adding a vessel to the existing fleet. This will enable us to offer you the best service possible as we approach the winter season, considering the possibility of delays in ports due to bad weather.

The implementation will be planned on week 48.

The MEDUSEC service rotation for the expanded fleet will be as follows:
Gioia Tauro – Naples – Leghorn – Genoa – Valencia – Algeciras – Sines – New York – Baltimore – Norfolk – Savannah – Charleston – Algeciras – Valencia – Gioia Tauro.

Full schedule details will be communicated shortly, in order to enable you to place your bookings as soon as possible and to plan future shipments.
