MATCHBOX Exchange - Instant container reuse and exchange online platform

28 December 2020

- Asia Pacific
- Indonesia

Share 

For many years, our customers have been exploring options for reuse and exchange of their existing containers for their export bookings, simplifying the supply chain process. Containers reuse and exchange lowers transport costs and admin fee, reduces environmental impact and simplifies logistics processes. We're delighted to continue supporting it.

Since 2016 we have partnered with MATCHBOX Exchange, working together to offer the best possible reuse and exchange solution for our customers in some of the Asia Pacific countries.

MATCHBOX Exchange provides an instant response for container reuse / exchange requests, 24/7. Two services are available

- Container Reuse (USD 50 per container (same for 20/40')): best for customers with both import and export opportunities, allowing you to reuse an import container on an export booking.
- Container exchange (USD 25 per container (same for 20/40')): best for customers with either import or export opportunities, allowing you to offer an empty container to another customer, or accept an empty container from another customer (triangulation).

With effect from 28th December 2020, Maersk will direct all container reuse / exchange request to MATCHBOX Exchange who will handle end to end with our customers.
To learn more and to sign up please visit [MATCHBOX Exchange](#) .

If you have any questions or concerns, please reach out [MATCHBOX Exchange](#)  or feel free to reach out to your local Maersk representative.
