# Schedule Update – Trade Asia to US and Canada Network

Due to the current challenging market situation impacting port activities and generating congestion across the supply chain, MSC is planning to adjust the sailing programme on its Asia to US and Canada network to match the actual departure dates from Asia.

As such, we will revise the voyage numbers on the services below to provide better schedule reliability.

Below are the adjustment details:

## ASIA TO US & CANADA WEST COAST

SERVICE	VESSEL NAME	CURRENT VOYAGE NUMBER	NEW VOYAGE NUMBER	POL	NEW ETA
