Seasonal Blanking Programme on IMED to Red Sea, East Africa and IPAK Network

MSC Mediterranean Shipping Company would like to inform customers that in order to adapt the capacity to current market demands amidst the evolving COVID-19 situation, we will implement a seasonal blanking programme.

We will temporarily suspend the **IMED service**, effective from week 17, and until further notice.

Cargo will be transhipped via Gioia Tauro for connexion on various services.

Last available vessel sailing will be:

IMED

Vessel MSC FRANCESCA, voyage IT016A, ETA Piraeus 13.04.2020

Customers may continue to place bookings with limited disruption as we are arranging a contingency plan with alternative services.

Should you have any questions or concerns regarding this blank sailing program, please contact your MSC local office.
