We at Maersk always strive towards making your experience with us a better one.

Effective 1st November 2022, we plan to apply ‘Electronic Cargo release service-Export’ fee for amendment involving change of bill type from Original bill of lading to Seaway. This is applicable only after the Original Bill of Lading has been issued.

For smooth clearance of your shipment at destination, we encourage you to use ‘Electronic cargo release (Telex Release)’ feature available on our website. For detailed guide, please refer [here](#).

We thank you in advance for your continued support, and if you have any questions, please reach out to your Maersk Customer Service Team.
