PEAK SEASON SURCHARGE – TRADE FROM NWC & SCANBALTIC TO US WEST COAST

Geneva, Switzerland, 14 February 2022

Dear Customers,

Due to strong demand of container and consequent difficulties to supply needed equipment from Europe to US and in particular to West Coast, MSC will increase the current Peak Season Surcharge (PSS) for all cargo moving from NWC and Scan Baltic to Long Beach, Oakland and Seattle.

As from 13 March 2022 until further notice, the PSS will be increased as below and will apply to all dry, reefer and special equipment:

- from current USD 3'200 to USD 5'200 per 20'
- from current USD 3'700 to USD 5'700 per 40'

Any other elements of the price, for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged.

Should you have any question, please [contact your local MSC representatives](#) in our global network of more than 500 offices.
