In order to keep providing you with our global services, Maersk is increasing the Export Reefer Cancellation fee (CLL) surcharge from Seychelles to World, effective 17th October.

A surcharge of USD 1000 per container will be applicable and invoiced to the Booked By party for all 40' reefer containers released and stuffed by fishing vessels for initial export requirements , but not shipped as planned at time of booking.

This will be in effect as of the 17th October 2021 and will be applicable whenever there has been no pre-agreement from Maersk.

We thank you in advance for your continued support, and if you have any questions please reach out to your local Maersk Representative.
