Schedule Update – Trade Asia to NWC and ScanBaltic

Due to the current challenging market situation impacting port activities and generating congestion across the supply chain, MSC will adjust its sailing programme on our Asia to North Europe network to match the actual departure dates from Asia.

Please be advised of two additional changes concerning the sliding programme on our SHOGUN and LION services announced 27 December 2021. To provide better schedule reliability, MSC will revise the following voyage numbers on these two services.

WEEK	SERVICE	CURRENT VOYAGE NUMBER	NEW VOYAGE NUMBER
5	SHOGUN	205	208
6	LION	207	209
