## Price Announcement - Port Congestion Surcharge to South Africa

03/11/2023

Due to the congestion in the South African ports generating difficult conditions to operate, MSC will apply a Congestion Surcharge (CGS) for cargo from any destination except East and West Africa to all South African ports to maintain our services at the required level.

As from **3 December 2023** (Bill of Lading date) onwards, the CGS will be charged **USD 210/TEU** for dry cargoes only.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 675 offices.
