With our comprehensive service network, we offer the broadest inland coverage and competitive transit times with unmatched reliability. Consistent capacity and fixed schedules allow us to optimize your logistics processes.

Effective from July 1st, 2020 we are revising the Barge and Rail (where applicable) rates in our Inland Haulage Tariff for all container sizes and types between inland container yard locations in Belgium and the port of Antwerp and between the inland container yard locations in Netherlands and the port of Rotterdam.

The new inland tariff levels can be looked up directly from (Click [here](#))
