Asia To Mediterranean Trade Routes

MSC would like to inform you that due to the congestion faced by some Asian ports and with the aim to maintain our product reliability and ensure an on-time arrival at destination to our customers, we will make a temporary adjustment to our Asia-to-Mediterranean network as from the following mentioned westbound sailing:

JADE/AM2 SERVICE

Effective as from week 51 and until further notice, the AM2 service will not call Shekou.
The first sailing will be the MSC Rosa M FJ749W - ETA Shekou 21 December 2017.

You may continue to place bookings for Shekou as usual. Cargo bound for Shekou will be transshipped in Singapore and carried on a separate service, within the same time parameters.

Should you have any questions or concerns regarding this, please contact our MSC local sales representative.
