01/02/2021 Service update, Ports and Terminals

# MSC Enhances Canada-Mediterranean Connections

MSC is pleased to announce the enhancement of its West Mediterranean-Canada services, starting immediately.

On the **Canada Express 2** service, we will add a double port call at Halifax in Canada, and a call at Valencia, Spain. The new rotation will reinforce our offering for cargo shippers in Canada and the West Mediterranean and provide seamless connections to our global network,

The addition of Halifax will offer Canadian exporters the possibility to export cargo to anywhere in the Mediterranean, as well as to the Middle East, Indian subcontinent, Asia and Oceania via Barcelona and Valencia, two key Mediterranean transshipment hubs.

Meanwhile, MSC is revising the **Canada Express 1** service rotation by adding calls to Naples, Italy and Marsaxlokk, Malta. This service will no longer call at Valencia, as this is now covered by Canada Express 2.

Please refer to the maps below to see the whole rotations for both services.

## Canada Express 1

Marsaxlokk – Naples – Leghorn – Genoa – Sines - Montreal

## Canada Express 2

Valencia – Halifax – Montreal – Halifax – Barcelona.

For more information, please contact your local MSC office.
