# Peak Season Surcharge - Trade NWC and ScanBaltic to The Caribbean

Due to strong demand on the Europe to Caribbean market, MSC Mediterranean Shipping Company will implement a Peak Season Surcharge (PSS) for all cargo from Northern Europe and ScanBaltic to the Caribbean.

As from 11 March but not beyond 30 June 2021, a PSS will be charged USD 500/container for all cargoes and commodities including dry, reefer and special equipment.

Any other elements of the price, as indicated in the last EU Price Announcements for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged.
