Maersk constantly strives to provide more reliable and innovative products. We offer the broadest coverage and competitive transit times at an unmatched reliability.

To continue offering our broad portfolio of services and high level of reliability, we are introducing – **Drop Off Charge (Imports) (DRP) – World to Sweden with drop off location Karlshamn and Naessjoe with the effective form 01st Nov 2024 for both Regulated and Non-regulated countries.**

The New tariff amount is detailed as follow:

Rate basis : Per container

Charge code - DRP

Origin	Destination	Drop off location	Container Type	Currency	New Rate
World	Sweden	Karlshamn	All Containers	USD	0
World	Sweden	Naessjoe	All Containers	USD	0

Charge description - It is a VAS, applied when the carrier allows the drop off of an empty container at a different depot than from the one stated on B/L as place of discharge. It applies only to MH containers and only for import cargo. It can also be a penalty surcharge (in case the customer dropped off the empty container to a different location without consulting the carrier first). It covers the unit empty positioning cost.

For your reference, you can also use our inland price look-up feature to find inland rates & its related mandatory surcharges online via [Maersk.com](#) that are already included in your existing contract or look up our tariff rates.

We appreciate your business and look forward to continuing working with you in the future.
