With our comprehensive service network, we offer the broadest inland coverage and competitive transit times with unmatched reliability. Consistent capacity and fixed schedules allow us to optimize your logistics processes.

Effective from May 2021 we are revising the Truck and Rail/Road combined surcharge rates in our Landside services for all container sizes and types delivered and loaded in Spain.

The new inland surcharges can be retrieved at our [public webpage](#).

If you have any questions, please feel free to reach out to your local sales or customer service representative. You will find contact details of our local offices on Maersk website.

We thank you for your partnership. We truly appreciate the trust you put in us in moving your cargo from one doorstep to the next, and we are excited to continue working closely with you.
