Schedule Update – Trade Asia to US and Canada Network

21/04/2022

Due to the current challenging market situation impacting port activities and generating congestion across the supply chain, MSC is planning to adjust the sailing programme on its Asia to US and Canada West Coast network to match the actual departure dates from Asia.

As such, we will revise the voyage number on the service below to provide better schedule reliability.

SERVICE	VESSEL NAME	CURRENT VOYAGE NUMBER	NEW VOYAGE NUMBER
MAPLE	MSC NOA	UM218N	UM220N

MSC is also planning the following sailing omission. However, you may continue to place bookings as usual as we are arranging a contingency plan with alternative services.

WEEK	SERVICE	VESSEL NAME	CURRENT VOYAGE NUMBER
18	EMERALD	MSC TORONTO	UL218E

Should you have any questions, please contact your local MSC representatives in our global network of more than 500 offices.
