Fumigation and gas measurement (FME)-United States from/to World

8 November 2023

United States of America

North America

Share 

In order to keep providing you with our global services, Maersk is introducing the **Fumigation and gas measurement (FME) ALL Dry Cargo in United States From/To World be Effective 7th December 2023** for United States country.

The tariff levels are as follows:

For your reference, you can also use our inland price look-up feature to find inland rates & its related mandatory surcharges online via Maersk.com that are already included in your existing contract or look up our tariff rates.

We appreciate your business and look forward to continuing working with you in the future.
