IMPROVED ASIA TO WEST COAST AMERICA SERVICES

In an effort to continually improve our services, we are introducing a few changes to our Asia Pacific network.

As such, we are pleased to communicate the first berthing date for the revised rotation on our PEARL and JAGUAR services. The new rotation includes the following changes, offering Nansha as direct link to the Pacific Southwest gateway.

- **PEARL** – replacing the present CHIWAN call with a direct NANSHA call.
- **JAGUAR** – replacing the present YANTIAN call with a direct CHIWAN call

The full service guide including transit times can be found on our website [click here](#) to view
