- Effective start date: 01-04-20.
- Effective end date: Until further notice, but not beyond 14-04-20.
- The above rates are inclusive of Basic Freight Rate (BAS), Bunker Adjustment Factor (SBF), and Emergency Risk Surcharge (ERS).
- The above rates are subject to Terminal Handling Charges (THC) and Peak Season Surcharge (PSS).Detailed levels of THC and PSS can be found [here](#).
- The following charges are not applicable: Low Sulphur Surcharge (LSS).
- The above rates are also subject to other applicable surcharges, including local charges and contingency charges.
- Other corridors, commodities and container types (including reefers) that are not listed above may also be subject to increases.
- These rates are unaffected by, and do not affect, any tariff notified, published or filed in accordance with local regulatory requirements.
- For trades subject to the US Shipping Act or the China Maritime Regulations, quotations or surcharges that vary from the Maersk Line tariff shall not be binding on Maersk Line unless included in a service contract or service contract amendment that has been filed with the Federal Maritime Commission (FMC) or the Shanghai Shipping Exchange, as applicable.

We would like to take this opportunity to say thank you for doing business with us. As the world's leading shipping company, we strive to be your reliable shipping partner, propelling your business forward and supporting your growth ambitions.
