Combined Demurrage and Detention - From Helsinki, Finland to World

10 March 2022

Europe

Finland

Share

In continued effort to make it easier for our customers to do business with Maersk, we will be revising Export Combined Demurrage and Detention tariff in Helsinki port as of 10th March 2022 PCD.

Combined Demurrage and Detention free time period for all export cargo in Helsinki, Finland will be revised to 10 days free. Free time will be calculated from the day when empty container has been picked up (gate out date) till day when laden container has been loaded from the terminal to the vessel (load full date).

Additionally pay your attention all port operators charge Storage directly to customers in Finland. For full information about our local charges, please visit us at our [Maersk website](#).

We thank you for your business and look forward to serving your future global transportation needs. Should you have any questions, please contact your local Maersk representative.
