We, at Maersk, constantly strives to provide reliable and innovative products to our customers. In order to continue offering our high-quality product, considering the increase on costs in providing containers with higher quality than the standard, we will be reviewing the Premium Quality Container Product (PQC) for ALL container types (DRY & REEF) in Czech Republic, Hungary and Slovakia effective **15th February 2022 PCD**.

- **Premium Quality Container Product (PQC) = EUR 230 per container**

This service is applicable upon customer’s request. We will apply a surcharge of EUR 230 as a flat rate for all types of containers for providing ‘Premium Quality Grade’ containers.

For full information about our local charges, please visit us at our [Maersk](#) website

We thank you for your business and look forward to serving your future global transportation needs. Should you have any questions, please contact your local Maersk representative.
