We would like to thank you for your continuous support to Maersk. In connection with the main drivers for operational processes optimization, we would like to inform you of changes to the Truck Waiting Time charge terms and conditions. These will be amended as of 1st of July 2023.

Our overall goal remains improving our predictability, reliability and providing minimal supply chain disruption. The amendment aims to increase vehicles availability and to limit events of truck detention, which lead to failure in the chain of planned inland haulages for the following days.

Charge name the Waiting time Origin/ Destination.

Amendment details are described below:

Charge Name	Waiting time	Rate	Per
Waiting time origin/ destination	5 hours	Free of charge	Free of charge
Waiting time origin/ destination	Over 5 hours (But still by the end of the same working day)	EUR 30.00	Container and per hour
Waiting time origin/ destination	A whole day (1st day)	EUR 100.00	Container
Waiting time origin/ destination	Second day & onward	EUR 200.00	Container

\*\*The surcharge is applied for all inland service modes (truck) to terminal\*\*

If you have questions of any kind, please, do not hesitate to contact us.

We would like to thank you being a loyal and reliable business partner.

We look forward to continuously serving your global transportation needs.
