# 2020 Chinese New Year Blank Sailings Program– Asia-US Network

Due to the anticipated slowdown in demand during and after the Chinese New Year holiday, MSC Mediterranean Shipping Company plans to exclude sailings during this period, followed by a temporary structural adjustment to its East-West network.

The change will help us to match capacity with the expected weaker market demand for shipping services.

However, you may continue to place bookings as usual as we are arranging alternate routings.

Our blank sailing programme will start as from week 4 2020 as per the below tables:

Should you have any questions or concerns regarding this blanking, please contact your MSC local office.
