We, at Maersk, constantly strives to provide reliable and innovative products to our customers. In order to continue offering our high-quality product, considering the increase on costs in providing containers with higher quality than the standard, we will be reviewing the Premium Quality Container Product (PQC) for ALL container types (DRY & REEF) in Finland effective **15th February 2022 PCD**.

- **Premium Quality Container Product (PQC) = USD 150 per container**

This service is applicable upon customer's request. We will apply a surcharge of USD 150 as a flat rate for all types of containers for providing 'Premium Quality Grade' containers.

For full information about our local charges, please visit us at our [Maersk](#) website.

We thank you for your business and look forward to serving your future global transportation needs. Should you have any questions, please contact your local Maersk representative.
