EQUIPMENT IMBALANCE SURCHARGE - TRADE MIDDLE EAST (INCL KAP) TO FAR EAST

Due to the strong demand of containers (20', 40', 40'HC), and consequent difficulties to supply needed equipment, MSC will implement an Equipment Imbalance Surcharge (EBS) for the dry cargo moving from Middle East Gulf and King Abdullah Port to Far East.

As from 18 November (booking date) or 22 November Bill of Lading Date until further notice, the EBS will be charged:

- USD 200 per dry container box

Any other elements of the price, for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged.
Please consult MSC's website or contact your local agent for any further information.
