We are writing to inform you about an important update to our local charges regarding waiting times for cross-border transport services to or from France via Rotterdam/Antwerpen.

Effective Monday, June 17, any waiting time exceeding 2 hours for all container types will incur a surcharge of 40€ per half hour or 80€ per hour.

Key points to note:

- This new rule will apply to all standard bookings and new tenders.
- Ongoing contracts or contracts with a 3hour free time allowance will not be affected by this change.

We understand that this update may require some adjustments on your part, and we appreciate your understanding and cooperation. Our aim is to ensure the smooth and efficient handling of your transport needs.

If you have any questions or need further clarification, please do not hesitate to contact us. Our team is ready to assist you with any concerns you may have.

Thank you for your continued support.
