Temporary Suspension of Bookings to/from Belarus

MSC Mediterranean Shipping Company is introducing as of 3 March 2022, with immediate effect, a temporary stoppage on all cargo bookings to/from Belarus.

MSC will continue to accept and screen bookings for delivery of essential goods such as food, medical equipment and humanitarian goods.

Cargo already in transit to/from Belarus prior to 3 March 2022 will continue to be processed but may be subject to inspections and operational constraints. Bookings confirmed prior to 3 March 2022 will equally be handled but also may be impacted by significant operational issues.

Please contact your usual MSC representatives should you need any clarification about the status of existing bookings or about what cargoes we will accept going forward.

Should you have any further questions, please contact your local MSC representatives
