Share

We would like to inform you that with effect from January 1st, 2022 Maersk will review PQC (Premium Quality Container) in Italy.

The charge is applicable upon customer's request for this service.

EUR 50 per container: applicable for requests of containers in condition to transport food or other commodities that require equipment in specific conditions inside for this type of sensitive commodities.

EUR 150 per container: applicable for requests of containers of a specific quality such as containers of a specific age, containers designed for specific commodities like electronics, flexibags shipments, etc.

We appreciate your business and look forward to continuing working with you in the future.

Should you have any further queries, please feel free to contact your local Maersk representatives.
