# Temporary Contingency Programme - Europe to US Network

Due to the current weather and market situation impacting port activities, and generating congestion across the supply chain, MSC will implement on its Europe-USEC network the below contingency programme to enhance schedule reliability.

However, you may continue to place bookings with limited disruption as we are arranging a contingency plan with alternative services.

## NEUATL1 service

The line service will cascade by one week starting with the MAERSK MONTANA that will cover the sailing week 15 from NWC with voyage number 115W-117E. Hence, we will blank week 14 in NWC, and week 16 in US.

## NEUATL2 service

Liverpool call will be suspended for 6 weeks with the vessel MAERSK SERANGOON, from voyage 113W to voyage 118W.

New York 1<sup>st</sup> call will be suspended for 9 weeks, starting with the MAERSK SEMBAWANG 110W to the MAERSK SERANGOON 118W.

## NEUATL3 service

The line will cascade by one week starting from the MSC Elodie that will cover the sailing week 12 from NWC with voyage number 112W-115E. Hence, we will blank sail week 11 in NWC, and week 14 in US/MEX.

## NEUATL4 service

The service will be suspended until further notice.
