MSC services moving to New York Container Terminal

The first vessel for the ECSA service will be MSC Ingrid on 18 July and, for the WCSA service, the MSC Sariska on 21 July.

With 3 deep water berths, 12 inbound and 8 outbound Truck lanes and 375 reefer plugs (expandable up to 500), this new terminal will strengthen MSC's position in the market.

* New York Container Terminal.
