Schedule Update - Trade Asia to Mediterranean

Due to the current challenging market situation impacting port activities and generating congestion across the supply chain, MSC is planning to adjust the sailing programme on its Asia to the Mediterranean network to match the actual departure dates from Asia.

As such, we will revise the voyage number on the service below to provide better schedule reliability.

| SERVICE | VESSEL NAME | CURRENT VOYAGE NUMBER | NEW VOYAGE NUMBER |
|---------|----------------|-----------------------|-------------------|
| PHOENIX | MAERSK HIDALGO | 220W | 221W |
