A number of the UK ports have recently implemented new charges per container effective of January 1st 2025 which are passed onto our customers when we are providing customs clearances services.

Please note The Port of Felixstowe 2025 charges are to be announced ahead of April 1st 2025, with just port inventory being confirmed.

For other port charges which are applicable but did not increase as of the start of the year can be found at the Maersk Customs Services in United Kingdom page, under the section FAQ's 'what pass through costs will I receive for my containerised imports'. Via the below web page.
