Inland Rate Increase – PUERTO RICO

13 February 2024

Latin America

Puerto Rico

Share 

At Maersk we constantly strive to provide reliable and professional service to our customers. To continue offering our high-quality product with unmatched reliability, as of 3rd of March 2024 we will be implementing inland tariff increase in Puerto Rico due to market price increase for all NON-FMC and FMC regulated corridors, average by 2%.

We want to thank you for your business and look forward to continuously serving your transportation needs. In case of any additional questions please feel free to contact your customer service agent or sales representative.

Thank you for your understanding.

In the following link you can find the contact information for our local offices.
