Bilbao Port Congestion Surcharge

Due to the operating impact of congestion in the Port of Bilbao, Spain, MSC will apply a Congestion Surcharge (CGS) for cargo to and from Bilbao, in order to maintain our services at the required level.

The CGS of **EUR 100** or **USD 125** per TEU will be implemented with effect for **B/L date 16 November** onwards for all cargo to/from Bilbao, except cargo **to/from the USA**, for which the implementation B/L date will be from **5 December** onwards.

MSC will continue to monitor the situation in Bilbao and update you in due course. Should you have any further questions in the meantime, please contact your local MSC agency.
