Introduction of Terminal Handling Charge to/from Conakry

MSC is compelled to introduce a new charge for all import and export cargo to the port of Conakry, Guinea. The THC must be manifested and paid locally in Conakry, and will be charged to our customers at cost. Historically, MSC has absorbed the handling charges at these ports, however, the deterioration in ocean freight levels means this cost must be recovered.

The following charges will be applied to all cargo ‘shipped on board’ on or after 15th October 2016.

GUINEA	USD	EURO
20’ DV & RE	USD 160	EUR 145
40’ DV & RE	USD 210	EUR 180

For further information, please contact your local MSC office.
