In order to keep providing you with our global services, Maersk is revising the Container Protect Essential (CP1) for the Scope World to Turkey for all containers, effective 25th Jan 2025.

The revised surcharge amount is detailed as follows:

Surcharge - CP1

Origin	Destination	Rate basis	Container	Currency	Rate
World	Turkey	Per container	All Container	USD	35

* **Non-SPOT booking** – The above rate is retrieved based on PCD. PCD = Price Calculation Date. For non-FMC, PCD refers to the scheduled departure date of the first water leg at the time of booking confirmation for non-spot bookings. For FMC, PCD is last container gate-in date for non-spot bookings.

* **SPOT booking** – The above rate is retrieved based on 1st vessel ETD at booking confirmation for Spot bookings.

For your reference, we have also included the levels and rate structure for some sample corridors AEJAL to TRIZM valid from 25th Jan 2025 until further notice. These may be subject to future change; however, we will make sure to notify you accordingly.
