Turkish exports: Empty Repositioning Surcharge

PRICE AND SURCHARGE UPDATES

Due to a severe lack of equipment in all Turkish ports, and as situation is expected to last, CMA CGM informs its customers of the implementation of an **Empty Repositioning Surcharge (ERS)** that will enable us to position all necessary empty equipment for matching the growing demand.

The ERS will apply as follows:

Effective October 15th, 2018 (B/L date) except US Trades (November 8th, 2018):

Exports from all Turkish ports

Quantum: USD 50 per unit

All cargo dry and reefer
