The current water levels of the St. Lawrence River have significantly decreased which has restricted the intake of vessels. The latest projections of the water level show further reductions and as a result, Maersk will be implementing a Low Water Surcharge (LWC) for all cargo discharging in Montreal, QC, CA effective 15TH June 2021.

The Revised tariff levels are as follow

Surcharge code	Scope	Container size	Currency	New Level	Rate basis
LWC	All cargo on CAE and MCX services discharging in Montreal, QC, CA	All Container Types	USD	300	Per Container

We appreciate your business and look forward to continuing working with you in the future.
