# Change in Global Fuel Surcharge (GFS) Application - Asia Trades

The current global political situation is creating major, and unpredictable, fluctuations on global fuel prices.

Therefore, starting 15 April 2022, until conditions stabilise, MSC will be recalculating the Global Fuel Surcharge charged on a fortnightly basis tariff instead of a monthly basis tariff, for all spot and quarterly contracts on Asia trades, until further notice.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 500 offices.
