As your supply chain needs to Digitally evolve, so must our ways of serving you. We hereby announce a further inclusion in our Digital visibility platform with **CP0 - Customs Ports Cost - Origin - 750 INR** in resonance with the government initiative of digital visibility which shall capture and track internal real time data right from container Gate-in to track CFS operations and final export.

To ensure seamless movement, prerequisites like compliance and export clearances must be managed efficiently and also synchronized into our system. Maersk has been a trusted partner who understands the complexities of your [supply chain](#) and local regulations can help in making the whole process easier.

This platform in consonance between Maersk & the Authorities shall provide visibility and efficiency, a smooth compliance process, and a global network of experts to help keep your goods moving round the clock. Additionally, you also get the flexibility of adding customs at the time of booking your ocean shipment or at a later stage, with the help of convenient online solutions through [My Customs](#).
