Far East to SAEC Trades – Free Time Adjustment

In view of the continued shortage of containers and the need to maintain our container turnover, MSC Mediterranean Shipping Company has decided to revise down its free time at destinations for shipments from the Far East to South America East Coast, effective 15 February 2021 (**proforma sailing date**).

New free time quantum: 10 days

Valid until further notice, and valid for all FAK and short-term shipments.

Please be guided accordingly and we thank you for your ongoing business.
