As of 1st of October 2020, we will do some adjustments to the tariffs of below mentioned Value Added Services. You find the new tariffs below.

| Charge Code | Charge Name | Description | Tariff |
|-------------|--------------------------------|---|-----------------------|
| CSO | Container Shifting Origin | A charge to recover additional operational expenses for extra container moves needed for, for example re-stacking because of Change of Destination or Change of Vessel or move of container from load stack to gate. It does not cover moves needed to perform inspections, or to enable ad hoc stuffing/stripping as that is included in the respective charge for those services. | SEK 750 per container |
| CSD | Container Shifting Destination | A charge to recover additional operational expenses for extra container moves needed for, for example re-stacking because of Change of Destination or Change of Vessel or move of container from load stack to gate. It does not cover moves needed to perform inspections, or to enable ad hoc stuffing/stripping as that is included in the respective charge for those services. | SEK 750 per container |

For more information about our local charges in Sweden, please refer to our website [here](#). Above changes will be updated by the effective date.

We want to thank you for your business and look forward to continuously serving your global transportation needs.
