# Shipments to Hodeidah (Yemen) : Operational Cost Recovery

PRICE AND SURCHARGE UPDATES

CMA CGM informs its customers that as Hodeidah port has stopped receiving vessels, all cargo bound for Hodeidah will now be delivered to Aden.

In order to compensate for all additional costs generated by this situation, an Operational Cost Recovery surcharge is implemented as follows:

- Applicable to all cargo initially planned for Hodeidah:

- Already discharged in Aden
- Or at sea on the way to be discharged in Aden coming from Jeddah or Sudan
- Or from initial port of loading

- Amounts : USD 230/20' and USD 400/40' (collected by our agent in Aden)

- Applicable with immediate effect
