Share

A Drop-off fee is applied based on your request to turn-in /drop off containers at an inland location. The fees applied is displayed below:

Value added Service and penalty service	Code	Per 20' Container	Per 40' Container
TURN IN FEE / DROP OFF FEE (JNB, PTA)	DRP	ZAR 3750	ZAR 8000

As per our published Tariff Booklet there is also a Drop-off Penalty charge applicable when a customer advised that they would return a container to a coastal location but instead the container is returned to an inland location.

As an example, a customer advises Durban turn-in but ends up returning the container in Johannesburg. In this instance the standard DRP is applicable along with the DRP Penalty charge and will be calculated as follows: EG: 20' DRY = ZAR3750 (Standard DRP charge) + ZAR950 (DRP Penalty charge) Total: R4700.

Another example would be if customer advises Johannesburg turn-in but ends up returning the container in Durban. In this instance standard DRP will not be applicable however the DRP penalty charge will be applied. EG: 20' DRY = ZAR950 (DRP Penalty Charge) = Total: R950.
