New port charges – United Kingdom

28 June 2022

EuropeUnited Kingdom

Share

A number of the UK ports have recently implemented new additional charges which are passed onto our customers when we are providing customs clearances services.

Please find below a schedule of these new additional charges which are invoiced out accordingly and will be backdated where applicable.

It is assumed at time of writing you are aware of the pre-existing fees (Port Security, Port Infrastructure, Port Entry, Port UCN/Inventory etc).

Please be aware that port charges can change without notice and other ad-hoc charges could be incurred.

If you have any questions, please reach out to your local sales or customer experience representative.

We want to thank you for your business and look forward to continuously serving your global supply chain needs.
