MSC Enhances Asia to US West Coast Connections

MSC is pleased to announce the enhancement of its Sentosa service with a new weekly port call at Oakland, US.

The addition of Oakland will reinforce our offering for cargo shippers moving cargo from Asia and the United States west coast markets, boosting predictability for effective supply chain planning.

The first vessel on the revised rotation will be MSC EVA, voyage number FV140A, ETA Oakland on 6 November 2021.

The new rotation will be as follows: Port Klang – Singapore – Tanjung Pelepas – Laem Chabang – Vung Tau – Oakland – Long Beach
