MSC Enhances Connections Between The USA and The East Mediterranean

MSC is announcing the update of its West Med to East Med service. The revised rotation will connect Egypt and Türkiye to the US East Coast via Valencia, offering competitive transit times.

Every Tuesday, shipments from the East Med will transship by Valencia to be then loaded on our Indus Express service.

The new rotation will be: Valencia – Barcelona – Piraeus – Mersin – Iskenderun – Damietta – Aliaga – Valencia.

The first sailing will start from Valencia with the MSC MANYA, 23 April 2019.

Please contact your local MSC representative for further information.

[Please note this an updated, corrected version of the original notice, which was published on 5 March 2019].
