# Revised Inland Haulage Tariff – Germany

12 March 2020

EuropeGermanyInland Services

Share

With our comprehensive service network we offer the broadest inland coverage and competitive transit times at an unmatched reliability. Consistent capacity and fixed schedules allow us to optimize your logistics processes.

Effective from April 15th, 2020 we are revising the Rail/Road combined rates in our Inland Haulage Tariff for standard container types 20DRY, 40DRY and 40HDRY from and to German ports, Hamburg and Bremerhaven.

The new inland tariff levels can be looked up directly from [Inland Price Lookup](#).

We would like to take this opportunity to say thank you for doing business with us. As the world’s leading shipping company, we strive to be your reliable shipping partner, propelling your business forward and supporting your growth ambitions.

If you have any questions, please feel free to reach out to your local sales or customer service representative. You will find contact details of our local offices on Maersk Webpage.
