Service update

MSC Continues Suspension of Panda Service

MSC Mediterranean Shipping Company would like to inform customers that we will maintain a structural blanking of our Panda service until the end of the year.

We will continue to serve South China via Hong Kong with our Wallaby service.

The rotation for the Wallaby service is unchanged: Yokohama – Osaka – Busan – Qingdao – Shanghai – Ningbo – Hong Kong – Sydney – Melbourne – Brisbane – Hong Kong

Meanwhile, to enable customers to continue place bookings with limited disruption to cargo flow from South China and other South China POLs not mentioned above, we offer alternatives routings with transshipment (via Singapore) to/from our Capricorn and Kiwi services.

Please contact your local MSC sales representatives with any questions.
